ForceFlex Mechanics Gloves

Mechanics Gloves

PRODUCT DESCRIPTION:

MCR Safety is proud to expand the ForceFlex® line of gloves. We are the first to offer D3O® technology protection both in the palm and back of hand in multitask gloves. The D3O® hi-shock absorbing properties out-performs similar materials and is thinner allowing full flexibility and range of motion. Testing endorses:

Back of hand impact dissipation up to 54% better while 57% thinner

Impact dissipation on fingers up to 46% better while 37% thinner

Our FF2930 ForceFlex® series was created in the oil and gas fields specifically to provide greater grip in dry, wet, and oily conditions. Distinguishing characteristics include two-way spandex back, hybrid forchettes and reinforced thumb crotch for greater durability, and expansion gussets for ease of donning. Additional features are the slip-on cuff with gusset, pull tab and ID panel for personalization.

FEATURES:

- Patented D3O® TPR back of hand protection
- Patented D3O® palm padding to help dissipate impact and vibration
- Aqua blue two-way spandex back
- Tan suede synthetic leather palm and fourchettes for greater durability
- Expansion gusset cuff for ease of donning
- Orange grid pattern reinforced palm has been tailored to provide grip in dry, wet or oily conditions
- Reinforced thumb crotch for strength in a high stress area
- Slip on cuff with pull tab and ID panel for personalization
- Impact dissipation on knuckle up to 54% better than competitors while being up to 57% thinner
- Impact dissipation on fingers up to 46% better than competitors while being up to 38% thinner
- Machine washable, air dry
